# Conditional Sentences

#### LEARNING PURPOSE

In this chapter, you will learn about the difference of each type of Conditional Sentences. Surely, you will have to know the proper grammatical structure used to make the sentences meaningful. Practicing applying those types is needed to enhance your understanding on the social function and the text structure of Conditional Sentences.

## B. CONCEPT MAPPING

#### C. LEARNING PROCESS

GENERAL INSTRUCTION: You must ensure that you understand the material step by step. At the end, there will be an evaluation to test your level of understanding on the material. When your level is above the passing score, you may continue to the next material. Before you ask for the evaluation, please ensure yourself that you have already mastered the whole material in this chapter.

## **BEFORE LEARNING**

Answer these questions:

- 1. What happen to the people if they get the prolonged stress?
- 2. What would happen if your job burdened you a lot?
- 3. What would have happened if some celebrities had been able to manage their stress?

## WHILST LEARNING

Before doing practices on Conditional Sentences, click these to learn:
